Hi (b)(6);(b)(7)(C) – Attached are documents related to DACA rescission. There are several drafts of Congressional testimony on the topic that I reviewed. The remaining documents pertain to the “DREAM Act” which would be based on DACA. Those documents may not be directly on point, but I was over-inclusive.

Please let me know if you have any questions

I'm writing to follow-up my e-mail immediately below. We're working with OPLA's Knowledge Management Division to establish Sharepoint access, and will let you know when that's in place.

With respect to my question in the Initial Disclosures part of the previous message about document categories, here's the list that ERO compiled. If one or more of those items includes the types of documents your office has, please let me know. If you have additional types, we can add them to this list.
