Dear Mr. Wilson:

Thank you for your letter of November 30, 2005, regarding my earlier response on U.S. Immigration and Customs Enforcement's (ICE) worksite enforcement operation at the Seymour Johnson Air Force Base in North Carolina.

Effective immediately, the use of ruses involving *health and safety* programs administered by a private entity or a federal, state, or local government agency (such as the Occupational Safety and Health Administration), for the purpose of immigration worksite enforcement, will be discontinued by ICE.

Sincerely,
