¹ **State resident** = lawfully present in California for 366 days. Individuals granted DACA, U or T status, a *prima facie* case determination, or an approved VAWA self-petition are among those considered lawfully present in the U.S. However, for this purpose, students may not have a currently valid nonimmigrant status that requires individuals to maintain a residence abroad.

² **AB 540** = 3 years of high school coursework, provided that the student attended a total of 3 years at a Calif. elementary or secondary school, or any combination. Effective in 2018, students may count attendance or credit at an adult school or up to 2 years’ attendance or credit at a community college toward the 3-year total. Must graduate from a Calif. high school, obtain a G.E.D. or (beginning in 2018) an associate degree from a Calif. community college, or minimum transfer requirements for University of Calif. or Calif. State University. All students regardless of immigration status may be eligible, except that nonimmigrants are excluded. See note 4 regarding students with T or U nonimmigrant status.

³ Refugees and Iraqi and Afghan Special Immigrants are eligible to pay in-state tuition rates immediately if they originally settle in California (AB 343, effective Jan. 1, 2018). Under AB 1899, T and U nonimmigrants who meet this criterion are also eligible to pay in-state rates.

⁴ Although AB 540 technically does not apply to nonimmigrants, under AB 1899 students with T or U nonimmigrant status who meet the other criteria of AB 540 are eligible for in-state tuition, fee waivers, scholarships, and institutional and state financial aid.

⁵ This grant was formerly known as the Board of Governors Fee Waiver.

⁶ For **federal financial aid** purposes, **eligible noncitizens** include lawful permanent residents, refugees, asylees, parolees, Cuban/Haitian entrants, victims of trafficking, and “qualified” domestic violence survivors. Citizens of the Marshall Islands, Micronesia, or Palau are eligible for certain programs.

⁷ FAFSA form: www.fafsa.ed.gov; California Dream Act Application: <https://dream.csac.ca.gov/>.

⁸ In addition to those granted T status, trafficking survivors who are certified by or have an eligibility letter from the Office of Refugee Resettlement are eligible for federal financial aid.
